I have heard this sentence several times and wondering what it means. Who was admittedly on the fringe? A: It is a way of saying "who was known to be on the fringe" or "who was notorious for being on the fringe". It is commonly used when criticizing a famous or well-known person who's behaviour, ideas or what he/she is perceived as being on the fringe of society. It also implies that the person in question is doing things that are controversial or unpopular in society or the rest of the world, and hence "on the fringe". Paul Manafort's attorney, Richard Westling, has filed a motion to dismiss the charges against Manafort, as they have been moved into the Eastern District of Virginia, the Washington Post reports. Under the rules of the Eastern District of Virginia, the prosecution has 30 days to respond to the motion. In the motion, Westling asserts that, because the case is already in the Eastern District of Virginia, the indictment should be dismissed. Westling is arguing that the decision to move the case was improper. The last time this happened was in a prior case involving a British citizen. The other defendant was not charged with federal crimes, but rather was indicted in state court in Virginia and then transferred to federal court where the charges were enhanced to include crimes that occurred in the District of Columbia. Get Breaking News Delivered to Your Inbox The Eastern District of Virginia charges require a higher burden of proof. The motion to dismiss will be considered, but it is likely to be denied. Manafort has been detained by the FBI since late July. The charges he faces involve alleged crimes by Manafort while he worked for the president's presidential campaign. According to Manafort's indictment, he and his associate, Konstantin Kilim
