Early this morning, I decided to do what I have been doing for the past few years: visit my favorite musical instrument store in Iowa. This is the only place in the world where my brother and I can buy everything we need to play the guitar. I arrived at the store, as always, in high spirits. And what do you think? Turns out the store is closed! No, of course, I knew that it was closed on Sundays, but I did not expect that it would close so early - at 5.30 in the morning.
