
Competency Dictionary Spencer.pdf [Extra Quality]

Download

If you are interested in making these competencies a part of your organization's leadership development program, you may wish to purchase the Competency Dictionary from TK Hillman, Kalevi Sjodin, and their associates. They also offer training workshops that focus on the development of competencies. You may download a copy of the Competency Dictionary by clicking on the link below. MBA Webinar - The Impact of Competency Views on Strategy Execution Rob Jarjour, CEO of Competency Matters, discusses the type of competencies used in competency modeling and how companies use the results to improve organizational strategy, including supply chain, service, finance and marketing. Who's the target audience? People interested in the impact of competency views on strategy execution. Examples include business leaders, HR and talent leaders. What's the objective? To explore the impact of competency views on strategy execution and to provide insights and insights for how organizations can use competency views to improve strategy. What is your company's role in this conversation? Introduce Competency Matters and show how the competency views impact organizational strategy and performance. What are your key points? How competency views influence strategy; how the impact on strategy can be measured; sample questions to understand how the views lead to organizational strategy and key performance indicators. What does the conversation look like? 30 minute online presentation and question and answer session. Optional key takeaways and next steps: Additional resources/connections, including company-specific examples on strategies shaped by competency views. Further engagement on competency views and their impact on strategy on an ad-hoc basis. Connect with us on LinkedIn!
