Share your experiences: In October 2007 at the ACM SIGSOFT conference in San Francisco, I asked a question regarding ANSYS: "Can you give me an example of an ANSYS calculation that I couldn't do?". The answers varied. But among them I got the following: • "You are trying to do the same thing as me; you're trying to find what I found. How did you manage it?〢 "We did the calculation on ANSYS-compatible software using our program. It worked.
