To get started, just find the iOS version, then follow the instructions in the article. After you have the app, you can download the macOS version by clicking on the picture above. What is the difference between free and paid versions? The free version allows you to save 10 files, but once you go over 10, you'll need to upgrade to the Pro version. How do I upgrade to the Pro version? This upgrade is also available to those who use the Plus (2 TB) account. If you're upgrading from the free version, you must create an account on the website. If you're on a Plus (2 TB) account, you must pay for your subscription with a credit card or paypal to upgrade to the Pro version. How much does the Pro version cost? It depends on the time and the amount of space you choose. There is a monthly, yearly and lifetime subscription for the Pro version. What is the difference between the subscriptions? I'm not a lawyer, so please refer to the official terms and conditions for this information. How do I get a free trial? The Pro version is a 30-day free trial. You can start using the app, but the files will be limited to 10. After the trial, you will be charged for the monthly subscription. I have a question, I don't see a request box. Can I have a free trial for the free version? Unfortunately, we do not provide free trials. We are working on that, but it's not possible at the moment. How can I get a refund?
